Since Mr. Becton's release, he has not complied with the following conditions of pretrial release:

**1) Report as directed by the Pretrial Services Office**

Dwayne Becton resides in Harvey, Illinois, and, as such, is supervised by the U.S. Pretrial Services Office for the Northern District of Illinois. Mr. Becton failed to report to their office by telephone as directed on February 23, 2005. The defendant also failed to report by telephone for the month of May 2005. Officer Assistant Tramonte's calls to the defendant's home were not returned by the defendant or his father.

**2) Refrain from any use or unlawful possession of a narcotic drug or other controlled substances**

Defendant Becton submitted urinalysis specimens on January 19, 2005, and February 18, 2005, that tested positive for marijuana.

**3) Submit to any method of testing required by the Pretrial Services Office for determining whether the defendant is using a prohibit substance.**

On January 18, 2005, Dwayne Becton was directed by U.S. Pretrial Services Officer Assistant Carla Tramonte in the Northern District of Illinois to submit a urinalysis specimen for testing. Mr. Becton left the Pretrial Services Office without submitting the urinalysis specimen. According to Officer Assistant Tramonte, she contacted the defendant and directed him to report for a drug screen on January 19, 2005. Defendant Becton also failed to report as directed for a drug screen on May 16, 2005.

**4) Participate in a program of inpatient or outpatient substance abuse testing, education, or treatment if deemed advisable by Pretrial Services.**

On April 12, 2005, the defendant was schedule to meet with Laura Marquez, Drug and Alcohol Treatment Officer for the Northern District of Illinois, for a drug treatment assessment. Mr. Becton failed to appear for the scheduled assessment. Officer Assistant Tramonte contacted the defendant, admonished him for failing to show for the assessment, and rescheduled the assessment for April 13, 2005. Defendant Becton did show for the assessment on April 13, 2005, but he declined drug treatment. At that time, the defendant was instructed to attend two twelve-step meetings per week. Defendant Becton failed to provide any proof that he attended the required meetings.

**5) Maintain or actively seek employment.**

On February 18, 2005, the defendant reported that he had been working at Vector Marketing in Orland Park, Illinois, for two weeks. However, Officer Assistant Tramonte contacted Vector Marketing and they indicated that the defendant worked there only one day and then quit. Officer Assistant Tramonte referred the defendant to the SAFER Foundation which is an employment agency that works with offenders to help them find employment. Defendant Becton advised Officer Assistant Tramonte that he attended the SAFER Foundation and that he did not like it because it required that the defendant complete a six-week program on job skills, communication, and interviewing.

**6) The defendant shall not commit any offense in violation of federal, state, or local law while on pretrial release.**

On April 26, 2005, the defendant was arrested by the Chicago Police Department for Possession of Cocaine - Less than 15 Grams (felony). The Arrest Report in the above case alleged the following. On April 26, 2005, officers were conducting surveillance at a location due to reports of "narcotics sales". Officers observed the defendant outside of the location flag down a vehicle. The defendant approached the subject in the vehicle with a clear plastic bag in his hand containing what appeared to be narcotics and the subject in the vehicle approached the defendant with United States currency in hand. When officers attempted to approach the defendant, he dropped the bag and fled on foot. On June 8, 2005, the defendant entered a guilty plea to the charge and was sentenced to 30 months in the Illinois Department of Corrections.
